

## **Bruce Grupe is Retiring!**

With Bruces recent announcement that he will be retiring at the end on May 2024, the Board of Directors for the NCPA is seeking a replacement for Bruce. And here is a great opportunity!

Executive Director  
For the  
Nebraska Concrete Paving Association

The Nebraska Concrete Paving Association has an opening for a motivated, energetic professional to promote concrete pavements to the Nebraska DOT, Nebraska counties, Nebraska municipalities and engineering firms.

### **Responsibilities:**

- Communicate, with the intent of increasing market share, the features and benefits of concrete pavements and concrete overlays to:
  - Nebraska DOT staff
  - Nebraska county staff and officials
  - Nebraska City staff and officials
  - Consultant engineers
- Work closely with the Board of Directors, paving contractors, engineers and other Association members to promote concrete and act as a technical advisor
- Manage the business of the Association
- Travel extensively, including overnight stays, in primarily Nebraska, and nearby states

### **Qualifications:**

- Four-year degree in engineering (preferred), business, marketing, or related fields
- Five years of experience in
  - Concrete paving
  - Portland cement
  - Ready mixed concrete
  - Concrete construction or design
- A professional engineer is preferred, but individuals with extensive experience in the concrete field will be considered.

### **Compensation:**

The NCPA provides competitive salary and the following benefits package:

- Payments for health expenses
- Travel and business expense reimbursements
- Auto benefits

The NCPA is an Equal Opportunity Employer. If interested, please send your resume to:
